## LANGUAGE

- English
- Urdu

## EXPERTISE

- HTML, CSS
- JavaScript
- Tailwind CSS
- MERN Stack
- Bootstrap

## EXPERIENCE

### 2022 - current

I started my web development journey in 2022 and have gained experience in frontend technologies like JavaScript, React, and Tailwind CSS. Currently, I am expanding my skills into backend development and the MERN stack.

### University Projects

I have worked on several university projects, and I am currently developing a MERN-based Traveler platform as my final year project. All of my projects are available on GitHub.

## EDUCATION

### Punjab Group of Colleges

Completed intermediate studies, in 2020.

### University of Sialkot

Currently pursuing a degree in my senior batch.
